

10 December 1958

MEMORANDUM FOR THE RECORD

25X1A2g

SUBJECT: Intelligence Requirements for [REDACTED]

1. The background of this paper is as follows: ARPA is faced at this time, 10 December, with the problem of getting back on its budget for 117L. Accordingly, but delatedly, ARPA has gone to AFCIN to determine requirements for intelligence to be created by 117L in as much as the purpose of ARPA anyway is to meet intelligence needs.

25X1A9a

2. [REDACTED] and his staff prepared the attached paper and preferred to get the Agency's views.

3. General Cabell and Mr. Bissell both concurred in the paper but prior to submitting such concurrence, General Cabell wished it to be checked out with the offices. Accordingly, on 8 and 9 December the undersigned obtained concurrence from the following:

25X1A9a

OSI - [REDACTED], OCI - [REDACTED]
DDI - [REDACTED] and Mr. [REDACTED]

GRR - [REDACTED]

25X1A9a

25X1A9a

4. Colonel Macia of AFCIN was informed of the Agency's concurrence by phone prior to noon, 9 December, and Mr. Bissell was informed simultaneously via [REDACTED]

25X1A9a

5. In the course of the consultation with the agency, no official mention was made of CORONA, nor was there a need to do so.
